

## TETIANA DEKSHNA

Teacher of English and German  
Vinnysia Private School

Teacher of ESP  
Civil Servants project, British Council Ukraine

Core Skills Master Trainer, British Council Ukraine

Candidate of Philological Sciences,  
Dragomanov National Pedagogical University, Kyiv,  
October 2013

IATEFL Ukraine Committee member

I have been with the British Council Ukraine since 2011. First, learning as a participant in online courses and summer schools and then learning as a trainer of the British Council schools and projects.

I am an IATEFL Ukraine Committee member and have presented at two annual IATEFL Ukraine conferences.

As an educator, I believe in the potential of every individual and advocate the facilitating role of a teacher which is basically about helping students to become what is essential and what they can be.

I am looking forward to creating, communicating, collaborating and thinking critically with YOU this summer!

Interesting! Over the previous year, I spent about 500 hours commuting – no need to mention that I love travelling, have been to 8 countries so far, lived in two of them for a year. There are some books I have read three or more times: Three Comrades, The War and Peace, The Little Prince. Food preference: pescetarian. Sport: swimming, cycling with my son.
